

ENVIRONMENTAL POLICY STATEMENT

K & H Medical recognises that its various day to day operations can impact on the environment in a number of ways. The Company is committed to minimising any potential adverse effects on the environment wherever it has the power to do so.

K & H Medical integrate environmental considerations into our normal business decision-making process.

To help sustain and protect the environment we will:

- Minimise waste in all parts of our business
- Monitor and work with our suppliers and other third parties and influence them to achieve similar environmental standards to those of K & H Medical.
- Comply with all relevant environmental legislation and other regulations and requirements to which the company subscribes.
- Commit to a programme of continual improvement and prevention of pollution.
- Through communication and training, ensure that all staff understand the policy and how they can influence environmental performance.
- Communicate our environmental policy as appropriate to customers, suppliers and other interested parties.
- Make our environmental policy available to the public.
